COVID-19 RISK MANAGEMENT: CONDITIONS OF FACE TO FACE CONSULTATIONS

Please read the below conditions of entry into the clinic and face to face consultations and indicate to the reception staff that you meet criteria

If you answer yes to any of the below questions you will be unable to attend face to face consultations

You will be required to have your temperature taken before entering the consultation

- **You or immediate family members are sick with cough, cold or flue symptoms, runny nose, sore throat or fever**
- **You or a family member have had COVID-19 test and are still awaiting results**
- **You and family members have been in contact with someone who has tested positive to COVID-19 in the last 14 days**
- **You or family members have been overseas/returned from overseas, or been in contact with someone who has been overseas in the last 14days**
- **You or family members have visited locations known to have positive COVID-19 cases identified in the last 14 days**
